Note: Fall 2008 Full-Time Associate's Degree-Seeking cohort revised to exclude students that withdrew from courses before Oct 15th and became part-time (Rev Date: 10/19/2010).

NOTE:

1. Persistence and graduation rates of first-time students are calculated according to the definitions spelled out by IPEDS/NCES
2. Persistence rates include both students who are still enrolled and students who graduated in any semester up to the semester in question. (Persistence Rate = Retention/Continuation Rate + Cumulative Graduation Rate)
3. Graduation rates are cumulative percent of graduates from the original freshmen cohort.
