Notes:

1. Per IPEDS/NCES directive, following staff are excluded:

1a. Fourteen employees who work strictly with the Southern Maine Health Care clinic.

1b. One hundred and fourteen temporary employees hired on an ad-hoc or occasional basis to meet short-term needs.

2. Staff FTE is calculated using headcount method: The full-time equivalent of the institution's part-time staff is estimated by multiplying all part-time staff by 1/3.

These are then added to the full-time staff headcounts to obtain an FTE for all staff.
