Enhancing Interprofessional Collaborative Practice (IPCP) in Northern Maine

The University of New England (UNE) invites you to participate in the Interprofessional Collaborative Practice Summit, taking place on **April 14, 2015** on the campus of **Northern Maine Community College** in Presque Isle. Funded by the Josiah Macy, Jr. Foundation and the Maine AHEC Network, the summit will host national and local experts to address the relationship between health professions education, clinical practice, and national healthcare reform. During the course of the day healthcare leaders, providers and students will have an opportunity to learn more about:

- National trends in IPCP and team-based practice
- Principles & science of interprofessional practice
- Tools to implement IPCP & education
- How to develop IPCP student clinical experiences
- Preparing the future workforce for team-based practices that address healthcare shortages

**We encourage you to attend as individuals or as
interprofessional teams!**

**THERE IS NO COST TO ATTEND
RSVP IS REQUIRED OF ALL ATTENDEES**
