

Maine Worksite Wellness Initiative: 2009-10

Robert H. Ross, PhD, Convener

Maine-Harvard Prevention Research Center, Maine Center for Public Health

One Weston Court, Suite 109, Augusta, ME 04330

ph: 207-629-9272/ext.208, cell: 978-505-8892, fx: 207-629-9277, www.mcph.org

Agenda (draft 11Nov09)

Meeting 2: November 19, 2009, 1:30-3:00pm, Maine Center for Public Health, One Weston Court, Suite 109, Augusta, ME 04330. Call-in: 1-800-399-1052/pass code: 56238556.

Please note that the 90-minute meeting starts at 1:30pm, not at 3:00pm, this time.

1. **Roundtable** (20 min): where members will report projects-in-planning, in-progress, and in-conclusion, raise issues, think out-loud, trace lessons, seek partners, collect comments.
 - Bob Ross will spend ~ 5 minutes on the CDC NIOSH website and on the NIOSH Exploratory and/or Developmental Grant Program (R21), PAR-09-139.
 - Del Leonard will spend ~ 5 minutes on the recent podcast he did with Dr. Adam Finkel for the Peter B. Collins show, #55 at http://www.peterbcollins.com/abc_rss.xml.

Please note there are two slots left. Anyone is welcome to present at Roundtable.. RSVP.

2. **Briefing** (35 min): where a member or associate will brief the group on a current or emerging occupational and environmental health (OEH), public health (PH), health services (HS), or policy science (PS) topic of substantive (e.g. clinical, epidemiologic, policy, organizational, exposure, ergonomic) or methodologic (e.g. biometric, econometric, informatic, GIS, MIS) import.
 - Dr. Glorian Sorensen, whose research interest may be read at <http://www.hsph.harvard.edu/faculty/glorian-sorensen/>, will employ a 15-20 slide Power Point to brief the group on "What's possible at the OHS/WHP (Occupational Health and Safety/Worksite Health Promotion) intersection and What's developed since the 2004 NIOSH Sorensen/Barbeau paper." Time will be given to Q&A.

Please review the Sorensen/Barbeau paper in advance at http://www.cdc.gov/niosh/worklife/steps/pdfs/NIOSH%20integration%20ms_post-symp%20revision_trckd%20done.pdf.

3. **Presentation** (35 min): where one member will present an early/mid-stage proposal (e.g. to be submitted to a funder, client, or board), early/mid-stage project (e.g. preliminary data, outcomes), or early/mid-stage report (e.g. to be submitted to a funder, client, board, journal, or meeting) for constructive comment.
 - Jonathan Klane, M.S.Ed., will present a synopsis of the book he is writing on the same (Occupational Health and Safety/Worksite Health Promotion) intersection. Del Leonard will serve as Commenter to Jonathan's presentation.
