**Chapter outlines**

**Learning objectives**

**Chapter summaries**

**Flash cards**

**Practice quizzes and tests**

**Lab simulation**

**Worksheets**

**Study guides**

Undoubtedly you have spent hundreds and hundreds of dollars on your college textbooks. In addition to reading required chapters, you should access the textbook companion website available at no additional charge to you. Usually you can find this web address in the preface/preview pages of a textbook, or inside the front cover. The companion website is where you will often find answers to chapter assessments, additional quizzes, chapter outlines, summaries, learning objectives and outcomes, and interactive learning activities.

UNE Course Examples:
