Continuing Education Information

The University of New England, College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

**Traditional Continuing Education:** This program will provide **15.5 contact hours** of traditional continuing pharmacy education.

**Immunization Training:** This program will have **12 hours of home study** that must be completed prior to the conference. The **8 hours of live credits** will take place Saturday during the convention. Registration is limited to 12 participants, please register early this program is expected to fill quickly. Home study documents can be found on MPARX.com.

**CPR Certification:** This program will provide **4 contact hours** of continuing pharmacy education.

**Overall objectives:**
* To expand and update the knowledge base for pharmacists and technicians.
* Educate attendees on legislative matters, disease states and therapies that affect their practice.

**Immunization:**
* Apply knowledge of vaccine schedules, indications, and contraindications to cases for discussion.
* Demonstrate SQ and IM vaccine administration.
* Recognize signs of a vaccine adverse event and provide first response measures.

Attendees must complete the live program evaluation forms within 10 days of conference. *CE credits will be posted on the CPE Monitor using your NABP# within 30 days of the program. Please register for and bring your NABP to record on your evaluation form.*
