

## 2020-2021 Student Injury and Sickness Insurance Plan for University of New England Undergraduate Students

### Who is eligible to enroll?

---

All registered undergraduate students taking seven (7) or more credit hours are automatically enrolled in this insurance plan at registration, unless proof of comparable coverage is furnished. Eligible Dependents, including Domestic Partners, of enrolled students may enroll in this plan on a voluntary basis.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse or Domestic Partner and dependent children under 26 years of age. See the Benefits for Domestic Partners section of the Certificate for the specific requirements needed to meet Domestic Partner eligibility.

The student (Named Insured, as defined in the Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
  - a. On the date the Named Insured acquires a legal spouse or a Domestic Partner who meets the specific requirements set forth in the Definitions section of this Certificate.
  - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor's office, urgent care facility, or emergency room. As an insured with **StudentResources**, there is no consultation fee for this service.\* Every call with a HealthiestYou doctor is covered 100% during your policy period.

This service is meant to complement your Student Health Center. If possible, we encourage you to visit your SHC first before using this service.

HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

\*Available to Insured students and their covered Dependents ages 18 and over. If you call prior to the effective date of your coverage under the insurance plan, you will be charged a \$40 service fee before being connected to a board-certified physician.
