Donna Gaspar-Jarvis | dgaspar@une.edu

This spring travel course fulfills the Citizenship graduation requirement and includes spending spring break in the Dominican Republic teaching English to children in the community of Monte Cristi. Students volunteer at learning centers established by the grassroots organization Outreach360 and are responsible for developing and facilitating class lesson plans and creating learning games and activities to engage children ages pre-school to junior high school. Through evening programs, discussions and films, students will have the opportunity to learn more about the history and culture of the Dominican Republic. Students will also visit the Dajabon market on the Haitian border and explore the beautiful beach at El Moro National Park.
