objectives

Chronicles of Color: A Spectrum of Problems

- Define three ways color has been used to reduce errors in medicine
- Discuss at least two examples of problems with color-coding
- Given a medication error, evaluate the role of color-coding as a contributing factor
- Determine the appropriate role for the use of color in patient safety

Updates in Hospital Pharmacy Practice

- Analyze the effects of medication alert setting changes on alert fatigue in pharmacist
- Understand the effects of an inpatient medication counseling program on HCAHPS scores
- Explain the effect of early notification of culture result to pharmacist for adjustments in antibiotic recommends to physicians
- Summarize the procedure of evaluating a pharmacist managed warfarin protocol
- Evaluate the practice of hospital pharmacist competency training programs
- Describe the effect of pharmacists' anticoagulation discharge counseling on 30 day readmission rate due to bleeding/supratherapeutic INRs.

Selecting the Right Intravenous Immune Globulin Product for Your Patient: What Every Pharmacist Should Know

- Review the clinically relevant differences between IVIG products
- Describe operational considerations when converting between IVIG products
- Compare and contrast the common adverse events associated with different IVIG projects and strategies for mitigating these events
- Explain the role of the pharmacist in choosing an ideal IVIG agent for hospital or health-system formulary

Congress 2014: Key Issues for Health-System Pharmacists

- Describe the key advocacy issues ASHP is working on
- Gain an understanding of ASHP's efforts to achieve provider status
- Explain continued efforts to mitigate drug shortages and implement the new compounding law

State of NH Prescription Drug Monitoring Program

- Describe the background of NH's prescription drug monitoring program (PDMP) and how it impacts pharmacy practice
- Explain how PDMP will function and the timeline for key events
- Describe PDMP geographic boundaries and data sharing between states
