## ABOUT THE UNIVERSITY OF NEW ENGLAND

The University of New England is Maine's largest independent university, with two beautiful coastal campuses in Maine, a one-of-a-kind study-abroad campus in Tangier, Morocco, and an array of flexible online offerings. In an uncommonly welcoming and supportive community, we offer hands-on learning, empowering students to make a positive impact in a world full of challenges. We are the state's top provider of health professionals and home to Maine's only medical and dental colleges, a variety of other interprofessionally aligned health care programs, and nationally recognized programs in the marine sciences, the natural and social sciences, business, the humanities, and the arts. Visit [www.une.edu](http://www.une.edu).

## “AMERICA THE BEAUTIFUL”

*Lyrics by Katharine Lee Bates*

*Music by Samuel A. Ward*

O beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain!  
America! America!  
God shed His grace on thee  
And crown thy good with brotherhood  
From sea to shining sea!

O beautiful for pilgrim feet  
Whose stern impassioned stress  
A thoroughfare of freedom beat  
Across the wilderness!  
America! America!  
God mend thine every flaw,  
Confirm thy soul in self-control,  
Thy liberty in law!

## THE POMP BEHIND THE CIRCUMSTANCE

### *Ceremonial Symbols*

#### GONFALONS

A gonfalon is a banner suspended from a crossbar that bears a school's name and university seal. The name dates back to medieval times in Florence, Italy, where each neighborhood was represented at a town meeting, known as a "confalone," by its own flag, which displayed a unique coat of arms. Eventually, the word "confalone" became associated with the flag itself. Gonfalons were later used to identify households, fighting units, or offices. Religious communities used them to represent holy symbols during processions. During the Renaissance and Enlightenment periods, gonfalons gained popularity at educational institutions to symbolize different schools and disciplines within an institution. Each college within the University of New England is represented today by its own gonfalon, carried by a student, known as a "gonfalonier," who leads their college in the processional.

#### THE GOWN

The history of the academic gown goes back to the 12th century. During this period, everyone — both men and women, royalty, lay folk, clerics, tradesmen, students — wore long flowing robes. The apparel varied in elegance according to the rank and wealth of the owner, from simple rough worsteds to rich gold brocades wrought with tassels and trimmed with colorful velvet and rich furs. It was in this period that the first organized bodies of learning were formed. From the gowns worn in the "universities" of the period have evolved the academic costumes of today.

The bachelor's gown is of simple design, falling straight from a rather elaborate yoke with long pointed sleeves. The gown worn by a master has long, closed, somewhat fuller sleeves, which reach nearly to the wearer's knees. The arms go through slits at the elbow, giving the appearance of short sleeves. The doctoral gown is cut much fuller and has large bell-shaped sleeves. The gowns are usually, but not always, black, and those of bachelors and masters are generally devoid of ornamentation. The doctoral gowns are distinguished by the five-inch velvet panel around the neck and down both sides of the front, as well as three-inch velvet bars sewn on each sleeve.

The color of the velvet trim may be black or may indicate the nature of the degree of the wearer. For example, the color designating a Doctor of Philosophy is dark blue; a Doctor of Medicine, green; a Doctor of Education, light blue; a Doctor of Science, golden yellow; a Doctor of Humanities, white; a Doctor of Law, purple.

#### THE HOOD

The hood seems to have had a somewhat practical origin. Medieval monks used their hoods for two purposes: to protect their shaved heads in the winter and as containers in which to collect alms.

Today, the hood serves as the most symbolic part of the academic regalia by which the observer can ascertain the level and kind of degree. At three feet long, the bachelor's hood is the smallest. The velvet trim along the edges, indicating the nature of the degree, is two inches wide. The master's hood is three feet, six inches long, and has a three-inch velvet trim. The doctor's hood is four feet long, has a five-inch wide trim, and is further distinguished by panels at the sides. The colorful interior of the hoods, visible from behind, indicates by hue the degree-granting institution.

Look for the following hoods today: Master of Biomedical Sciences (goldenrod), Master of Health Care Administration (drab), Master of Occupational Therapy (slate blue), Master of Public Health (salmon), Master of Science in Applied Nutrition (gold), Master of Science in Athletic Training (sage), Master of Science in Education (light blue), Master of Science in Emergency Management (gold), Master of Science in Health Informatics (gold), Master of Science in Marine Sciences (goldenrod), Master of Science in Physician Assistant (gold), Master of Social Work (citron), Doctor of Dental Medicine (lilac), Doctor of Education (light blue), Doctor of Nursing Practice/Nurse Anesthesia (apricot), Doctor of Osteopathic Medicine (green), Doctor of Pharmacy (olive), and Doctor of Physical Therapy (teal).

The Certificate of Advanced Graduate Study (post-master's) in Education is signified by a single blue cord.

#### THE MACE

The University Mace serves as a symbol of authority, just as it did in the Middle Ages when a mace bearer accompanied an official taking office or opening court. From the 16th century in England and since colonial days in America, it has become a symbol of office used in ceremonies and is carried by the procession leader or mace bearer.

#### ACADEMIC HONORS

Undergraduate students graduating with academic honors will be recognized for their academic excellence by cords of different colors draped around their necks. *Summa cum laude* (gold), *magna cum laude* (blue), *cum laude* (silver).

#### COLLEGE OF ARTS AND SCIENCES UNDERGRADUATE HONORS PROGRAM

The CAS Honors Program provides high-performing students with firsthand exposure to scholarship and research. Students apply to the program and then complete and publicly defend a research-based honors thesis. They will be recognized by a solid red cord.

## ENGAGEMENT AND LEADERSHIP RECOGNITION

Beyond academic honors, many students will don other symbols of their participation and leadership in various professional organizations, societies, and student groups. Look for the many solid and multicolored braided cords, medallions, stoles, and pins. All are worn to recognize the outstanding achievements, contributions, and involvement of our graduates.

## OUTSTANDING UNDERGRADUATE LEADERSHIP RECOGNITION

Students who have demonstrated continuous excellence in leadership as undergraduates have been recognized by a solid red (signifying leadership) and braided navy and white (signifying university colors) knotted cord.

## MILITARY SERVICE HONORS

The University is proud to recognize students serving or who have served in the various military branches of the United States of America. Graduating students currently serving in the U.S. military and veterans will be recognized by red, white, and blue cords.

# STUDENT AWARDS 2026

## MAROON AWARD

### Outstanding Graduating Seniors, Westbrook College of Health Professions

The Maroon Award is presented each year to two undergraduate students in the Westbrook College of Health Professions – one on the Biddeford Campus and one on the Portland Campus for the Health Sciences. The recipients, nominated by faculty and professional staff, serve as role models to others by demonstrating and maintaining high academic standards, superior leadership qualities, collaborative working relationships, and a record of service to improve the quality of life for others.

#### BIDDEFORD CAMPUS AWARD RECIPIENT:

**Jamie Lee DuPont, Bachelor of Science, Applied Exercise Science**

#### PORTLAND CAMPUS AWARD RECIPIENT:

**Kimberly Renae Lackovic, Bachelor of Science, Dental Hygiene**

## JACQUES DOWNS AWARD

### Outstanding Graduating Senior, College of Arts and Sciences

The Jacques Downs Award is bestowed upon the most accomplished senior student in the College of Arts and Sciences on the Biddeford Campus. The recipient, nominated by faculty and professional staff, is selected based upon academic achievement, scholarly work, and service considerations during their time of study at the University.

#### AWARD RECIPIENT:

**Josephine Marie Pikowski, Bachelor of Science, Marine Science; Bachelor of Science, Data Science**

## STRIVES AWARD

### Outstanding Graduating Senior, College of Business

Inspired by the College of Business' STRIVES framework (Student-Centered, Technology-Driven, Respectful, Innovative, Versatile, Empathetic, and Sustainable), the STRIVES Award is the College's highest student honor. It recognizes a graduating student who embodies these values as a steward of the College's mission: leading with integrity, supporting others, innovating thoughtfully, and acting as a responsible citizen of both the campus and broader community. The recipient stands as a role model whose actions uplift peers, advance learning, and contribute meaningfully to a more inclusive, forward-thinking, and environmentally conscious world.

#### AWARD RECIPIENT:

**Tyler Devin Richards, Bachelor of Science, Business Administration**

## DANIEL MCCORMACK, MBA

*CEO, Spectrum Healthcare Partners*

*Commencement Speaker*

*Honorary Degree Recipient, Doctor of Humane Letters*

Daniel P. McCormack, MBA, is the chief executive officer of Spectrum Healthcare Partners, New England's largest independent physician-owned health care organization, a role he assumed in February 2026. Raised in Aroostook County, Maine, he has spent his career at the intersection of the business and practice of health care, guided by a firsthand understanding of the access challenges facing rural and underserved communities.

McCormack began his career as a U.S. Air Force Medical Service Corps officer, serving at the David Grant USAF Medical Center at Travis Air Force Base in California and the Bolling Air Force Base Medical Group in Washington, D.C. He went on to lead provider network management at Anthem Blue Cross and Blue Shield of Maine, served 14 years as CEO of InterMed, and most recently served as chief operating officer at Martin's Point Health Care. Across those roles, he developed expertise in value-based contracting, strategic planning, long-range financial management, and health informatics, as well as a track record of overseeing major capital and construction projects.

A UNE Trustee since 2013, McCormack served as Treasurer from 2015 to 2019 and as Chairman of the Board from 2019 to 2023. During his tenure, he helped develop the University's first financial strategic plan, guided UNE through its initial bond rating, helped secure the Alford Foundation grant supporting the University's health sciences facilities, and served on the presidential search committee that brought President James Herbert to UNE.

As Chairman, he also steered the Board through the COVID-19 pandemic and played an influential role as UNE expanded its interprofessional health education offerings, including the historic relocation of the College of Osteopathic Medicine from Biddeford to Portland, which united all of UNE's health professions programs on the Portland Campus for the Health Sciences. He oversaw numerous campus building and renovation projects, including the Danielle N. Ripich Commons, Leonard Hall, and the Harold Alford Forum in Biddeford and Alumni Hall in Portland.

McCormack holds a bachelor's degree in economics from Harvard College and an MBA from the University of Southern Maine. He currently serves on the board of directors of Maine Community Bank.
