If you are passionate about learning, a team player who enjoys challenges, caring and fun loving, this program is for you. Advantages are unopposed inpatient community-hospital training, association with an academic medical center, outpatient EMR, on-site PharmD resources, great Resident/faculty camaraderie, teaching excellence, night float system, and numerous community-outreach initiatives. OMM clinical sessions, acupuncture, diabetic group visits, and sports medicine clinical sessions are unique features of our program. Albany is located in beautiful Upstate New York, three (3) hours north of New York City. Personal and professional satisfaction is our goal.

Outside rotations are available at St. Peter's Hospital in Albany, NY.
