CLARION Case Competition

Information Session

November 13, 2019
Emily Dornblaser, PharmD
Jenifer Van Deusen, MEd

INNOVATION FOR A HEALTHIER PLANET

Learning Objectives

- Describe the CLARION Case Competition – *WHAT* is it?
- Discuss the reasons for the CLARION – *WHY* is it important?
- List the health professions students - *WHO* can get involved?
- List the next steps to get involved – *HOW* do I do it?
- Apply knowledge to action – *WHEN* should I apply?
And *WHEN* does it happen?

What is CLARION?

CLARION
(**C**linician **A**dministrator Relationship Improvement **O**rganization**N**)

- Student-driven national initiative based at the University of Minnesota
- Focused on leadership, teamwork, communication, analytical reasoning, conflict-resolution, and business practices
- Goal more sophisticated understanding of the healthcare system

What is the Case Competition?

- Student case competition for health professional students
- 4 person teams, at least two disciplines
- Analyze a health care issue and create a root cause analysis (Look at the BIG PICTURE!)
- Teams give a 20 minute presentation to an interprofessional panel of judges and answer questions

What is the Case Competition?

NATIONAL

- Runs national competition
- Distributes case to local partners
- Hosts winning teams from local partners
- CASH PRIZE for 1st, 2nd, and 3rd

UNE

- Runs local competition using national case
- Sets up and supports teams
- Hosts local competition
- Selects winner
- Funds winning team to go to national competition

Why the CLARION Case Competition?

<https://youtu.be/WdRz2VvY5mc>

WHY get involved?

Allows you to practice looking at 'the big picture' with all health professions

CV/Resume building!

National CLARION prizes:

- 1st place team award: \$7,500
- 2nd place team award: \$5,000
- 3rd place team award: \$2,500
