

30th Annual Maine Geriatrics Conference

Where Policy Meets Practice

Thursday, June 11 –
Friday, June 12, 2020

Harborside Hotel, Bar Harbor, Maine

We provide a venue for health practitioners, social service providers, and others with interests in the field of aging to come together to share ideas, ask questions, and develop or support care strategies affecting older adults in all care settings. This is our task and our mission.
