

FACULTY-LED TRAVEL COURSE DEVELOPMENT GRANT

Grants through the Global Education Program are intended to support faculty travel abroad for research and exploration, with the end goal of organizing a future travel course for students. Upon return, grant recipients are required to meet with the Global Education Program Director and submit a post-travel summary. Application deadlines are **September 15** (for spring travel) or **February 15** (for summer or fall travel).

A complete application packet consists of the following:

- Statement of Purpose
- This application form, completed and signed

The Statement of Purpose must include the following information:

- Describe the place and purpose of travel, along with a draft itinerary and budget.
- How will this travel opportunity provide future global education opportunities for UNE students?
- How do you propose to use the information and experiences you gain from the trip?
- How will this experience contribute to your future teaching goals?
