

A lot has changed in the past year. Your health plan probably needs to change too.

DID YOU KNOW?

You could be missing out on \$1147.

MyHealthMath makes choosing a plan easy and painless. UNE employees who engaged with MyHealthMath last year and switched to a better plan saved an average of \$1,147.

Click/scan to get started and see how much money you could save.

HERE'S HOW IT WORKS

You choose how you want to engage

Share your expected medical needs with MyHealthMath. Think about the frequency of doctor visits and other health services, along with the actual names and dosages of any medications you or a family member are on.*

A: More comfortable online?
OnlinePlus (OLP) will guide you through basic questions about the medical services you might use next year.

B: Prefer to talk to a real person?
Schedule a phone call to discuss the medical services you might use next year.

*The first 100 employees to complete a phone call or use OLP by 11/11/2020 will receive a \$15 Amazon.com Gift Card***

Check your email for a personalized savings estimate that compares your plan options from highest to lowest potential savings.

Receive your Comparative Savings Estimate within 2 business days after your OnlinePlus submission.

Receive your Comparative Savings Estimate within 3 business days after phone call.

* The information you share is completely confidential, and your personal information is never shared. MyHealthMath uses aggregated, de-identified information in its analytics. No personal financial information or SSN are required.

**The first 100 employees to complete a phone call or OnlinePlus by 11/11/2020 will receive a \$15 Amazon.com Gift Card. Gift cards will be processed once open enrollment ends, be delivered to the same email address used to send the MyHealthMath report, and will come from gc-orders@gc.email.amazon.com. Limit 1 gift card per employee.
