DUAL DEGREE POLICY

- A dual degree program is one in which the student works toward satisfying the academic requirements for two distinct degree types (Bachelor of Arts, Bachelor of Science, Bachelor of Social Work, Bachelor of Science in Nursing).
- To achieve the academic depth and breadth implied by a program of study that results in the awarding of two undergraduate degrees, a dual degree program consists of substantial additional coursework as compared to that required for a double major; namely, a minimum of **30 additional semester hours** beyond the credit hours required for the degree program comprised of the smaller number of credits.
- Students who successfully complete a dual degree program receive two diplomas, one for each degree earned (BA, BS, BSN, BSW).
