A Brief History....

In the fall semester of 1996, students from the Community Development Task Force on the Biddeford campus presented the concept of a Student Trustee position to the University Council. The students who presented the idea articulated the desire of students for an expanded voice in the University governance structure, which would demonstrate an increased commitment to community. They described the importance of a student presence on the Board as a reminder of the purpose for which the University exists.

Encouraged by interest from the University Council, the Task Force began the process of research and the development of a proposal for consideration by the University Council and Board of Trustees which took into account the unique nature of the University. A full proposal was presented to the Board of Trustees in the fall of 1997, yielding much discussion and several revisions.

At the October 1998 Board of Trustees meeting the proposal was approved by the Board providing for a University student to serve as a full voting Student Trustee member of the University’s Board of Trustees.

In the fall of 2002, the Representative Committee, which became the Representative Council, opened discussions around the potential value of adding a second Student Trustee to the University Board of Trustees. It was proposed that a second Student Trustee would broaden student perspective on BOT committees and provide an equally accessible resource for the student populations on both campuses (one Student Trustee from each campus). At the February 2004 Board of Trustee meeting the proposal was unanimously approved by the Board providing for a second University student to serve as a full voting Student Trustee member of the University’s Board of Trustees.

The Position...

The Student Trustee position is the means by which students play an integral part in the decision-making process at the University of New England. The students holding these positions play a dual role, serving as: 1) liaisons for the entire student body and 2) Trustees for the University of New England. It is the intention of these positions to foster the continued link between administration and students.
Application Process

There are two ways in which a student’s candidacy for the Student Trustee position may be initiated: 1) nomination by a recognized UNE student government or organization, or UNE faculty, staff, or administration; and 2) self-initiated candidacy.

Any student wishing to be a candidate for the Student Trustee position must meet all qualifications as outlined in the Qualifications section below, and provide the following:

Submit the following to the Office of Student Affairs by 5:00 p.m., Wednesday, March 3, 2021.

1) a letter written by the candidate, which should include:
   - reasons for pursuing the position
   - assessment of the candidate’s qualifications for the position
   - goals the candidate would like to achieve while in the position

2) a current resume

3) no less than three (3) and no more than five (5) Candidate Evaluation Forms (attached to this packet) with corresponding Letters of Recommendation which meet the following criteria:
   i. one from a University of New England faculty, staff or administrator who can evaluate the candidate’s skill and abilities as they relate to this University position
   ii. one from someone who can evaluate the candidate’s experience in a post-secondary governance position
   iii. One from a current or former employer
       or
   iv. One personal reference from a non-relative who has known the candidate for more than a year

Completed candidate application materials will be forwarded to the Representative Council for the review of applications and selection of a group of finalists to be interviewed on Tuesday, March 30 and Wednesday, March 31, 2021.

After the interviews, the Representative Council will then forward Student Trustee Elect candidates’ names to the Committee on Trusteeship of the Board of Trustees who will interview the Student Trustee Elect candidates and then recommend to, and present the names to, the Executive Committee and the full Board for final approval.

In the meeting of the Board of Trustees, on June 4 & 5, 2021, the Student Trustee Elect candidates will be voted upon by the Board. The Student Trustee Elect candidates will be present and introduced. Upon official election by the Board, they will be permitted to begin their terms beginning July 1.
