Dear Faculty and Professional Staff,

We are writing with additional information about when students will be tested over the course of the next week. This testing process supports our plan to resume campus-based, in person learning **Tuesday, April 6 at 8:00 a.m.** We will notify the community of any change to this plan on Saturday, April, 3.

Students who are sheltering in place on campus or in their local off-campus housing will be tested on Friday, April 2 from 10:00 a.m. – 1:00 p.m. Students who have gone home, including those who choose to go home this weekend, will be tested on Monday, April 5 and Tuesday, April 6 from 8:00 a.m. – 12:00 p.m. The attached message to students includes further details.

We recognize that while these testing protocols are necessary to manage incidents of COVID-19 among our students, it may cause significant disruption to your teaching. We appreciate your ongoing adaptability and support as we work to safely navigate this situation.

Sincerely,

Karen Pardue, Ph.D., RN, CNE, ANEF, FNAP
