

Office of Health Affairs  
Office of Student Health Services  
May 10, 2021

Dear UNE Community,

We are pleased to announce that beginning this week, Moderna and Johnson & Johnson vaccines are available to all students, faculty, and professional staff through the Student Health Center.

Students can make an appointment to get vaccinated through the student health portal:  
<https://une.medicatconnect.com/>.

*Please note – the scheduling tool only works on the web browser Firefox or on your mobile device.*

Faculty and professional staff can make an appointment by calling the Student Health Center at (207) 602-2358 or (207) 221-4242.

We are thrilled to have the opportunity to offer vaccinations to the UNE Community, and we encourage anyone who has not been vaccinated to take advantage of this resource.

Sincerely,

Jane Carreiro, D.O.

*Vice President for Health Affairs and Dean of the College of Osteopathic Medicine*

Paul Berkner, D.O., FAAP

*Medical Director, Student Health Services*
