

RSLA Delegate Petition Form

Complete the form and collect 10 signatures from your fellow residents who live on your residence hall floor. By doing this, you are taking the first step into becoming an RSLA delegate.

What delegates should know: An RSLA delegate will represent the residence hall floor and help bring any needs on the floor to RSLA and Housing as needed. Delegates can also help to coordinate programs, write bills or proposals, and vote on those bills to help enact change in the residence hall. (NOTE FOR RAS: There can only be one RA RSLA delegate applicant per a duty staff).

Read before signing: When you sign this paper, you are helping to endorse a delegate so they can apply and be put on the ballot. If they collect all ten signatures, they will be in the running for the position of RSLA delegate and become the RSLA representative for your residence hall floor. The applicant who receives the most votes in the election will become the RSLA delegate on your floor and will be a great contact person to reach out to when you see something on your floor that you think could improve.
