

### Vision Wellness

Regular eye examinations play a crucial role in ensuring healthy vision and overall health.

- An eye examination can not only detect vision problems, but also can detect the early stages of serious health problems such as diabetes and hypertension.
- One in four children has an undetected vision problem that can interfere with learning, according to the Vision Council of America.
- Undetected eye diseases can lead to worsening eyesight and in some cases irreversible vision loss.

### Your EyeMed ID Card:

Your Group Number:

**9231093**

Your Group Name:

**Delta Dental Discount**

### THIS IS NOT INSURANCE

\*Items purchased separately will be discounted 20% off of the retail price.

\*\*Since LASIK and PRK vision corrections are elective procedures, performed by specially trained providers, this discount may not always be available from a provider in your location. For a location near you and the discount authorization, please call 1-877-5LASER6.

Member will receive a 20% discount on those items purchased at participating providers that are not specifically covered by this discount. The 20% off discount does not apply to EyeMed providers' professional services or contact lenses. Retail prices may vary by location. All discounts cannot be combined with any other discounts or promotional offers. Vision discount cannot be combined with another vision coverage plan or with vision coverage provided through a medical insurance policy. This discount design is offered with the EyeMed Access panel of providers.
