

Time to change your health plan?

In 15-minutes or less, Decision Doc™ can help you choose the plan that matches your specific health needs!

Did you know?

Certain things, like starting a new job, having a baby, or aging off your parent's health plan are considered qualifying life events. This means that you are eligible to enroll in a plan through your employer!

Here's How It Works:

Go to Decision Doc

Use the link above to access this user-friendly platform from any device, at any time.

Answer some questions

Share your expected medical needs for the coming year. You can do this online or over the phone.

See your report and enroll

Learn which health plan will save you the most money. Then, enroll and begin saving.
