ABOUT THE UNIVERSITY OF NEW ENGLAND

The University of New England is Maine's largest private university, with two beautiful coastal campuses in Maine, a one-of-a-kind study-abroad campus in Tangier, Morocco, and an array of flexible online offerings. In an uncommonly welcoming and supportive community, we offer hands-on learning, empowering students to make a positive impact in a world full of challenges. We are the state's top provider of health professionals and home to Maine's only medical and dental colleges, a variety of other interprofessionally aligned health care programs, and nationally recognized degree paths in the marine sciences, the natural and social sciences, business, the humanities, and the arts. “AMERICA THE BEAUTIFUL”

Lyrics by Katharine Lee Bates

Music by Samuel A. Ward

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea!

O beautiful for pilgrim feet
Whose stern impassioned stress
A thoroughfare of freedom beat
Across the wilderness!
America! America!
God mend thine every flaw,
Confirm thy soul in self-control,
Thy liberty in law!

THE POMP BEHIND THE CIRCUMSTANCE

Ceremonial Symbols

GONFALONS

A gonfalon is a banner suspended from a crossbar that bears a school's name and university seal. The name dates back to medieval times in Florence, Italy, where each neighborhood was represented at a town meeting, known as a "confalone," by its own flag, which displayed a unique coat of arms. Eventually, the word "confalone" became associated with the flag itself. Gonfalons were later used to identify households, fighting units, or offices. Religious communities used them to represent holy symbols during processions. During the Renaissance and Enlightenment periods, gonfalons gained popularity at educational institutions to symbolize different schools and disciplines within an institution. Each college within the University of New England is represented today by its own gonfalon, carried by a student, known as a "gonfalonier," who leads their college in the processional.

THE GOWN

The history of the academic gown goes back to the 12th century. During this period everyone — both men and women, royalty, lay folk, clerics, tradesmen, students — wore long flowing robes. The apparel varied in elegance according to the rank and wealth of the owner, from simple rough worsteds to rich gold brocades wrought with tassels and trimmed with colorful velvet and rich furs. It was in this period that the first organized bodies of learning were formed. From the gowns worn in the "universities" of the period have evolved the academic costumes of today.

The bachelor's gown is of simple design falling straight from a rather elaborate yoke with long pointed sleeves. The gown worn by a master has long, closed, somewhat fuller sleeves, which reach nearly to the wearer's knees. The arms go through slits at the elbow, giving the appearance of short sleeves. The doctoral gown is cut much fuller and has large bell-shaped sleeves. The gowns are usually, but not always, black, and those of bachelors and masters are generally devoid of ornamentation. The doctoral gowns are distinguished by the five-inch velvet panel around the neck and down both sides of the front, as well as three-inch velvet bars sewn on each sleeve.

The color of the velvet trim may be black or may indicate the nature of the degree of the wearer. For example, the color designating a Doctor of Philosophy is dark blue; a Doctor of Medicine, green; a Doctor of Education, light blue; a Doctor of Science, golden yellow; a Doctor of Humanities, white; a Doctor of Law, purple.

THE HOOD

The hood seems to have had a somewhat practical origin. Medieval monks used their hood for two purposes: to protect their shaved heads in the winter and as containers in which to collect alms.

Today the hood serves as the most symbolic part of the academic regalia by which the observer can ascertain the level and kind of degree. At three feet long, the bachelor's hood is the smallest. The velvet trim along the edges, indicating the nature of the degree, is two inches wide. The master's hood is three feet, six inches long and has a three-inch velvet trim. The doctor's hood is four feet long, has a five-inch wide trim, and is further distinguished by panels at the sides. The colorful interior of the hoods, visible from behind, indicates by hue the degree-granting institution.

Look for the following hoods today: Master of Public Health (salmon), Master of Science in Applied Nutrition (gold), Master of Science in Athletic Training (Sage), Master of Science in Education (light blue), Master of Science in Health Informatics (gold), Master of Science in Nurse Anesthesia (navy blue), Master of Health Care Administration (drab), Master of Occupational Therapy (gold), Master of Science Biological Sciences (goldenrod), Master of Science Marine Sciences (goldenrod), Master of Science Physician Assistant (yellow), Master of Social Work (citron), Doctor of Dental Medicine (lilac), Doctor of Education (light blue), Doctor of Osteopathic Medicine (green), Doctor of Pharmacy (olive), and Doctor of Physical Therapy (teal).

* Certificate of Advanced Graduate Study (post-Master's) in Education signified by a single blue cord.

THE MACE

The University Mace serves as a symbol of authority, just as it did in the Middle Ages when a mace bearer accompanied an official taking office or opening court. From the 16th century in England and since colonial days in America, it has become a symbol of office used in ceremonies and is carried by the procession leader or mace bearer.

ACADEMIC HONORS

Undergraduate students graduating with academic honors will be recognized for their academic excellence by cords of different colors draped around their necks. *Summa cum laude* (gold), *magna cum laude* (blue), *cum laude* (silver).

COLLEGE OF ARTS AND SCIENCES UNDERGRADUATE HONORS PROGRAM

The CAS Honors Program provides high-performing students with first-hand exposure to scholarship and research. Students apply to the program and then complete and publicly defend a research-based honors thesis. They will be recognized by a solid red cord.

MILITARY SERVICE HONORS

The University is proud to recognize students serving or who have served in the various military branches of the United States of America. Graduating students currently serving in the U.S. military and veterans will be recognized by red, white, and blue cords.

ACADEMIC HONOR SOCIETIES

Alpha Chi (National Honor Society) White stole with blue and green Greek letters

Chi Alpha Sigma (National College Athlete Honor Society) Black/gold cord with tassels

Delta Omega (Public Health) Peach and black stole with Greek letters

Omicron Kappa Upsilon (Dental Medicine) Blue/gold cord with tassels

Phi Alpha (Social Work) Blue/gold cord with double knot

Phi Alpha Theta (History) Red/blue cord with mixed tassels

Pi Alpha (Physician Assistant) Blue/green cord with tassels

Pi Theta Epsilon (Occupational Therapy) Gold/blue cords

Psi Chi (Psychology) Insignia pin, platinum/dark blue cord with mixed tassels

Rho Chi (Pharmacy) Purple/white cord with tassels

Sigma Phi Alpha (Dental Hygiene) White stole with purple braid edging and gold insignia

Sigma Theta Tau (Nursing) Purple cord with tassels

LEADERSHIP RECOGNITION

Beyond academic honors, many students will don other symbols of their participation and leadership in various professional organizations, societies, and student groups. Look for the many solid and multicolored braided cords, medallions, stoles, and pins. All are worn to recognize the outstanding achievements, contributions, and involvement of our graduates.

DEBORAH MORTON SOCIETY 2022

Named after long-time Westbrook Seminary/Westbrook Junior College educator Deborah Nichols Morton, the Deborah Morton Society Award honors and recognizes outstanding women with strong ties to Maine who have combined high distinction in their careers with a record of public service or whose volunteer leadership in civic, cultural, or social causes has been exceptional. These awards will be presented at the annual Deborah Morton Society Convocation on June 10, 2022, on the Portland Campus.

2021 AWARD RECIPIENTS:

Linda Cross Godfrey, President, Atlantic Leadership Center

Nancy Grant, Advancement Officer, Portland Trails

Susan Hammond, Executive Director, Four Directions Development Corporation

Janet Mills, Governor of Maine

2022 AWARD RECIPIENTS:

Lise Pelletier, Former Director, Acadian Archives at University of Maine, Fort Kent; President, Maine Acadian Heritage Council

Hannah Pingree, Director, Governor's Office of Policy Innovation and the Future

Julia Sleeper-Whiting, Co-Founder and Executive Director of Tree Street Youth Center

STUDENT AWARDS 2021

MAROON AWARD

Outstanding Graduating Seniors, Westbrook College of Health Professions

The Maroon Award is presented each year to two undergraduate students in the Westbrook College of Health Professions — one on the Biddeford Campus and one on the Portland Campus. The recipients, nominated by faculty and staff, serve as role models to others by demonstrating and maintaining high academic standards, superior leadership qualities, collaborative working relationships, and a record of service to improve the quality of life for others.

BIDDEFORD CAMPUS AWARD RECIPIENT: **Sydney Marie Wolf**, Social Work

PORTLAND CAMPUS AWARD RECIPIENT: **Sandra Chavez**, Nursing

JACQUES DOWNS AWARD

Outstanding Graduating Senior, College of Arts and Sciences

The Jacques Downs Award is bestowed upon the most accomplished senior student in the College of Arts and Sciences on the Biddeford Campus. The recipient, nominated by faculty and staff, is selected based upon academic achievement, scholarly work, and service considerations during their time of study at the University.

AWARD RECIPIENT: **Emily Lauren Williams**, Psychology

JONATHAN HAIDT, Ph.D.

Commencement Speaker

Honorary Degree Recipient, Doctor of Humane Letters

Jonathan Haidt is a social psychologist at New York University's Stern School of Business. He received his Ph.D. from the University of Pennsylvania in 1992 and taught for 16 years at the University of Virginia. Haidt's research examines the intuitive foundations of morality and how morality varies across cultural and political divisions. Haidt is the author of The New York Times bestsellers *The Righteous Mind* (2012) and *The Coddling of the American Mind* (2018, with Greg Lukianoff). In 2019 he was inducted into the American Academy of Arts and Sciences, and was chosen by *Prospect* magazine as one of the world's "Top 50 Thinkers." He has given four TED talks. His next book will be published in 2023: *Life After Babel: Adapting to a World We Can No Longer Share*. It is about how social media has altered the social operating systems of people, institutions, and democracies in ways that may lead to failure, unless major changes are made.

DAVID EVANS SHAW

Honorary Degree Recipient, Doctor of Science

A prominent American business and social entrepreneur with extensive global leadership experience in science-based companies, investment management, and social impact NGOs, David Shaw has helped build more than a dozen successful technology companies as a CEO, board member, or investor. These companies, employing more than 15,000 people worldwide, harness modern science to address important needs in health care and other markets. Early in his career, Shaw helped build a leading global consulting firm in food and agriculture.

Shaw's career has included extensive public service in science, arts, conservation and public policy. He has served on the faculty of Harvard's John F. Kennedy School of Government and the advisory board of the Center for Public Leadership. He is a founding director of the U.S. Olympic and Paralympic Museum, chair-emeritus of The Jackson Laboratory, and treasurer emeritus of the American Association for the Advancement of Science. He has also been a global leader in science-based conservation of nature
