Notes:

- Beginning in Fall 2017, SAT scores reflect new SAT exam (RSAT) and per admission office, should not be compared to scores from prior fall terms due to change in how the test is scored.
- UNE does not collect and report HS class rank.
- Beginning in Fall 2019, UNE offered test-optional admissions for admission to select majors. Average test scores reported here include scores submitted for both test-optional and non-test-optional applicants. Beginning Fall 2021, UNE offered test-blind admission and therefore stopped publishing average test score data.
- First Generation data is from a student's application for admission. Prior to Fall 2016, first-generation information was collected off of the FAFSA.
