Hi Donna,

Saw you the other night on the History Channel. A few days ago when I watched you, my memory was better of the topic, but I think it was about the Hudson expeditions.

In any event, you performed in your usual gracious and professional manner. I was very proud to realize that I actually knew the person who was on my television screen.

I miss all of you guys and really, really wish I was there. However, the people of Caribou said otherwise.

Take care, and I want you to know that I truly enjoyed serving with you. You are a true lady and I am proud to call you a friend.

God Bless.
