The Emergency Medicine Residency Program is open to all motivated Residents who want to excel in their profession. We have weekly half-day didactics, Board review, OMM instruction, interested attending physicians, and Electronic Medical Records. Also, we have a Rapid Response Team and a Sepsis Team.

Third- and fourth-year medical students are welcome to join us for their clinical rotations on a space-available basis.

For more information, visit our website at: www.kenthospital.org/residency.
