

IMPORTANT

Does your Health Insurance Plan:

Cover services provided at the UNE Student Health Centers?

- Require **prior authorizations?** (see below)*
- Require **referrals?** (see below)*
- Have **out-of-network coverage?**
- Only cover **emergency room** or **urgent care** visits out of state?

We recommend that you:

- **Contact your insurance company to discuss your coverage; specifically, what benefits are available for students away at school.**

If you do not have comparable coverage:

- You are **required** to **obtain** and **maintain** the **UNE Student Health insurance coverage** offered by Consolidated Health Plans. Information is available on the UNE website. <http://www.une.edu/sfs/undergraduate/student-health-insurance>

Some insurance companies/primary care providers can process prior authorizations and/or referrals in advance. The following information may be required by your insurance company or primary care provider for referrals or prior authorizations:
