Dear Student:

As part of the federal government's Coronavirus Aid, Relief, and Economic Security (CARES) Act, the University of New England has been approved for a one-time, limited allocation of funds designed to assist degree-seeking students in need as a result of the COVID-19 pandemic and its disruption of campus operations. At this time, we would like to share with you the process for applying for relief funding.

**Who is eligible?**

Degree-seeking students enrolled in spring 2020 affected by the COVID-19 pandemic who have successfully completed a 2019-20 FAFSA (or are eligible to file a FAFSA) are eligible for CARES Act Funds. Students pursuing a degree through one of our on-line programs are not eligible for CARES Act Funding per the Department of Education.

**How much funding is available?**

Award amounts range from $250 to $3,000, depending on each student’s financial situation and circumstances.

**What types of expenses does the CARES Act emergency funding cover?**

CARES Act funding will assist with expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student’s cost of attendance, such as food, housing, course materials, technology, or health care).

**How to apply for CARES Act funding?**

To be considered for CARES Act funds, students must complete the Student Request for Temporary Aid Form below:

Funds will be awarded on a first-come, first-served basis.

Is this funding taxable or will it be included in my gross income?

No. The IRS has announced that grants under the CARES act will be nontaxable and will not be included in your net income.

Will this funding reduce my financial aid package?

No. Temporary aid distributed under the CARES Act will not affect your financial aid award or eligibility for financial aid in a future year 2020/2021. These funds are emergency based and not considered Title IV financial aid.

Why didn’t I receive temporary aid?

The rules established by the U.S. Department of Education state that students who are ineligible for federal financial aid programs may not be the recipients of temporary aid under the CARES Act/Higher Education Emergency Relief Fund.
