Important: Enrollment Reports

A programming change made by the National Student Loan Data System (INSLDS) has resulted in the rejection of some of UNE’s most recent enrollments reports. Several students have been, and several more students will be contacted by a student loan lenders or servicer. As an alternative to electronic reporting, many lenders and services will accept manual deferment paperwork, which they initiate, and to needs to be completed by the Registrar’s Office.

If you are one of the students affected by this issue, please contact your lenders to obtain this paperwork. Once you obtain this paperwork and the address to where it should be sent, please forward this information (via your UNE email address) to uneregistrar@une.edu for processing. Please use “Deferment” in the subject line.

Our office will complete the requested deferment verification and forward it to your lender using the address you provide to us. We will also be attaching a letter, on UNE letterhead, explaining the specific issue the National Student Loan Data System is having accepting our enrollment file.

Reminder to Faculty:
All faculty please remember to review final course rosters in U-Online and report discrepancies to the Registrar's Office.
