Please indicate which track you are interested in:

Traditional TRIAD

TRIAD Fellow

### Part III: RESPONSE QUESTIONS

Please answer the following questions in a well-constructed essay. (No more than 3 pages please.)

A. Tell us about your interest in and/or experiences working with older adults with emphasis on underserved and diverse populations **\*If applying as a TRIAD Fellow please specifically refer to SUD interest and/or experience.**

B. Describe your learning goals and professional aspirations.

C. Discuss your experience with interprofessional/interdisciplinary teams. What are your thoughts about the strengths and challenges of collaborative practice?

#### **Part IV: LETTER OF REFERENCE**

Please submit 1 letter of reference. You may use the same referees for the TRIAD application that you used for admission to the school of social work, but please have them write an additional letter addressing the questions above. Letter of Reference questions below:

**For those writing reference letters, please respond to the following:**

- A. In what capacity do you know the Stipend applicant?
- B. Describe the strengths of the applicant and her/his interest and experience in working with aging diversity. Please include any challenges you foresee that might impede his/her success in this program.
- C. Identify the applicant's motivation and capacity to function in a group or team. Please note if the applicant has had prior experience with interprofessional education and practice.
