Zipcar is a car-sharing program, an alternative to car ownership that gives you wheels when you want them. Cars are self-service and on-demand (the keys are right inside the cars!).

UNE has partnered with Zipcar to offer its students, employees and alumni discounted yearly memberships!

UNE affiliates can join for only $35. Gas, insurance, maintenance, and 180 miles/day are included in every reservation. As a Zipcar member, you’ll have access to our vehicles 24/7.

How it Works

- **Join**: Apply online through the appropriate link in the Joining section – remember to use your UNE email address. It only takes a few minutes. Once you’re approved, you’ll receive your very own Zipcard in the mail within 3-7 business days.
- **Reserve**: Once you have received and activated your Zipcard, you can reserve a Zipcar at any Zipcar location for an hour or an entire day - you decide how long. Reservations can be made online or through your mobile app.
- **Unlock**: Walk to the car, and then just hold your Zipcard to the card reader on the windshield. The doors will unlock, and it’s all yours! Your Zipcard will only open the car you’ve reserved during the time you reserved it, which means no one else can open your Zipcar during that time.
- **Drive**: Drive away, and then return the Zipcar to the same reserved parking spot at the end of your reservation. It’s that simple. And remember, gas, and insurance are included in the hourly rate. You just need to fill the tank using the Zipcar fuel card inside the car when it gets to ¼ full.

**Departmental Membership (Business Use)**

Zipcar now has a special offer for UNE departments: a free department membership. With no fee to join and no limit on the number of members you can add to a department account, why not sign up for a department Zipcar account today.

Any UNE Department, Student Organization/Club or Athletic team may create a Zipcar account for business use. There is an annual fee per member of $15 (typically $70). Zipcars can save your department money relative to owning a fleet vehicle or renting a car. All eligible members of your department can use a Zipcar for business purposes.

To set up a department account, visit Zipcar’s department account page, scroll to "contact us," and submit the form. Zipcar will contact you within three to five business days.

- Department members can use more than 9,000 Zipcars worldwide for business travel.
- Department memberships are for university business only.
- Hourly fees can be charged to an UNE Purchasing Card (PCard) if the department has one.
- A personal or department Zipcar account can be added to an existing account, with a drop-down option to charge the correct account for each trip.

FAQs

**Billing**
As part of the application process, you will need to enter a credit card number. Your credit card will initially be charged your annual fee and applicable taxes. Once you become a member, your driving charges will be charged to your credit card when you have completed a reservation. If you have both a department and personal account, you can designate which to charge when reserving the Zipcar.

**Insurance Coverage**
Insurance coverage is included in the cost of your Zipcar reservation. For Zipcar members who are under 21 OR joined Zipcar on or after August 1, 2018, Zipcar provides coverage at state-mandated minimum levels. In California, the required levels are $15,000 for bodily injury liability per person in an accident; $30,000 for all bodily injuries in an accident; and $5,000 for property damage in an accident.

If you are a Zipcar member who joined between March 1, 2015 through July 31, 2018 and are over 21, Zipcar provides liability coverage of $100,000 for bodily injury per person, with a maximum of $300,000 for bodily injury, and $25,000 for property damage. If you are a Zipcar member who joined before March 1, 2015, Zipcar insurance coverage consists of a combined single limit of $300,000 per accident.

Visit Zipcar’s website for more information on insurance coverage.

**Fees**
You will be charged fees if you do not adhere to the basic membership guidelines. All fees are assessed by Zipcar. Fees result from actions including returning the car late, returning the car with less than ¼ tank of fuel, leaving the car excessively dirty, smoking in the car, and allowing pets outside of a pet carrier while in the car.

Please note that someone who is not a Zipcar member cannot drive the Zipcar that a member has reserved. Anyone behind the wheel must be a Zipcar member for liability and insurance reasons. Membership can be revoked for unauthorized use.
Zipcar charges late fees of $50 per hour with a minimum charge of $50 plus regular hourly charges. So, when you’re making your reservation, book the car for an extra half-hour or hour if you have any doubt about being able to make it back on time. You can also extend your reservation by phone or online, provided the Zipcar hasn’t already been reserved for that time. You can also extend your reservation with Zipcar’s automated telephone system (866.4ZIPCAR), via SMS, or from the iPhone or Android app, but keep in mind that it’s not always possible to extend your reservation once you have the car - another member may have already reserved it!
